

There is a rock nr up Dead Indian Rd. Perhaps a map of the area, including Cove Cr Cone. Carving in basalt. Circle of the valleys nearby, was at

9841

CC Came w/ Tecters some time ago, Tak
came along creek. Abalone shells, firepit,
black ceiling, wonderful feeling under ledge
in the canyon, along the creek. Roaring
the creek, clouds flying, buzzing wings
Daldals down the hill & thru the canyon,
